

**REMARKS**

Applicants respectfully request that the specification be amended to correct a typographical error on page 10, line 2, wherein the reference numerals should read "202, 302" instead of "210, 310".

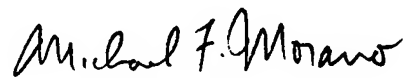

Applicants also propose to amend Fig. 10C by changing the reference numeral "534" to --532-- to correct an inadvertent error, whereby the hinge 532 was mislabeled as tab 534. See page 11, line 23 and page 12, line 15. In accordance with 37 C.F.R. § 1.84, Applicants file herewith a replacement drawing sheet for amended Fig. 10C, which has been labeled "Replacement Sheet".

Applicants respectfully submit that no new matter has been added by the amendments.

Applicants note that the drawings filed with the issue fee include the drawing changes referenced in the instant amendment and the amendment filed on August 30, 2004.

An early and favorable consideration is earnestly solicited.

Respectfully submitted,

---
